Please see the attached documents f=r your review. The executive summary is to serve as a cover page to t=e excel document. I have spent the last few days getting into every i=ch of both properties along with interviewing staff on issues they have see= in addition to what I see. The excel document has a notes sect=on where i included any important notes explaining the item. Th= bold lettered titles are "potential projects" that will be classified by i=portance and executed in that fashion. The cover page lays out the pa=h projects will take in order to provide the best construction methods for o=nership. Please let me know what you think of this and any feedback y=u have for me. Thank you!

Very Respectfully,=div>
