SO =ICE TO SEE WE ARE OF THE SAME MIND.. I actually don't =hink it is retaliation, since I would be suing her, more or less, for =er public claims and actions, not for filing anything with ASU.. =nbsp;but anyway.. in Australia suing is easier in one big sense.. the =nus of proof is on the accused and not the accuser..

anyway, I am just happy =hat this gloating bullshit may help bury her one way or =nother.

Hi.. I am thinking of sending a letter along these lines (to =e further edited of course) to Carla Mehnke, asking her to reopen her =nvestigation into the skeptics allegation on the basis of new =evidence. I don't see a down side, even if she doesn't change her mind, as that will give further ammo down the line, and I =on't see this request interfering with the request to reverse =he termination recommendation. Thoughts?
