=div>Hi Jeffrey,

My trip to Annecy, and Strasborg, France was int=resting but I think I am at a time in life when I need modern conveniences=like elevators and air conditioning. Lugging a 40 lb suitcase up and down =piral staircases has lost its old world charm.

I am writin= to ask your opinion about what to do with my living situation. I am seein= a real estate agent tomorrow to discuss selling my apartment. My maintena=ce is too high since the last two assessments for capital improvements. I =ave to sell because my income will be much lower since I retired. I don<sup>L</sup>=;t know whether to buy a small studio to reduce my maintenance and raise s=me cash (the difference between my sale and purchase) or to rent. I've=been looking at apts to buy and or to rent. The rentals start at \$3000 in =he city which is actually higher than my maintenance but then if I have th= money from the sale of my apartment, perhaps I can invest it to pay for t=e cost of renting...? You mentioned that the cost of living is less =n Florida and that I might consider moving there, but since I was diagnose= with skin cancer, it's probably best that I don't live there (but=I can visit). Besides, Erik lives here in New York, and I would=miss him too much, if I moved out of state. So what do you think...rent, b=y smaller apt. or volunteer for the National Park Service and live rent-fr=e : )

I'd appreciate your advice, I can't do the math an= you're a pretty smart guy (most of the time.)

Love [REDACTED] </=iv>
