Hello Mr. Epstein,

Regarding the funding from Enhanced Education to support the Origins Project, the same would be true that we will need authorization from Enhanced Education to transfer eligible funds.

Sincerely,

Gretchen

Mr. Epstein,

I'm writing to follow =p on our conversation regarding the transfer of funds donated by the =eon Black Family Foundation to support the Origins Project at ASU.

In reviewing =ur records, it appears that the donations were made by Mr. and Mrs. =lack personally, rather than through their Foundation. In order =o ensure our records are complete, I will need a confirmation from them that they are authorizing the =transfer or that you have the authority to authorize the transfer on =heir behalf. A simple letter stating that they authorize the =transfer of funds from the ASU Foundation to the MIT Media Lab would be sufficient.

Upon further review, we need to reconfirm the amount =hat we would send based on other gifts for the same purpose and =remaining unspent funds. I will need to obtain this information from our finance team and will let you know that amount once we receive =documentation of the power to redirect. Thank you for your =atience.

Sincerely,
