Message from Kitchen Solvers and link to Quartz Material for =our review

"Hello,

So the edges are going to =e 1.5" mittered, made from  $\frac{3}{4}$ " slabs That is what was =uoted. We could also do 2".

There is Qua=tz COMPAC Absolute Blanc Polish. But doesn't have the "loo=" as glass."

<http://us.compac.es/color=absolute-blanc/> <<http://us.compac.es/color=absolute-blanc/>>

would like an estimate for this material?
