It a=pears to be just a natural slab thickness, not the 1.5" spec'd  
Also did he 45 the counterto= edges

I don't see the Van=ty top for Cabana,1 is Kenny proposing to cut on site, the sink base and ha=dware holes for the  
vanities for Cabana 1,

regards Brice

Hi all,

Ken said that he will need a Barge run Saturday morning.=.

Caba=a 1 will be 100% completed on Saturday

Cabana 2, 3 & 4 will all have the long c=untertops but not the vanity sink because the Cabinet base was not installe= for  
measurements to be taken. Ken will take those measurements on Saturday

Flagpole po=l kitchen is cut and ready to be installed.

Hi all=

I asked Ken to please send me the tracking n=mber for the blade that was ordered or else  
refund our money. It was ordere= usps instead of express mail or fedex.

Can w= please have someone buy this blade today and send it Fedex. I think we sho=ld buy the  
blade and deduct the cost of the blade from his bill. usps shipping dates are not accur=te in the VI.

The countertops and vanity ar= all porcelain. LSJ will not receive anything unless that blade  
arrive

Hi

I will go back to Ken and ask about the vanity tops. I can better assist if I'm aware of all the pieces at his shop?

I'm only aware of the Cabana's

=div>Please advise,

Ann R.

Hi

Thank you, so vanity tops will not be ready only long countertops?

Hi all,

Ken said the countertops will be ready for Saturday. I will stay on top of him

until Saturday
