For over 50 years The=Vanguard School has been teaching students from all over the world who expe=iience learning differences. We offer 7 and 5 day boarding, and a day studen= program; and all programs are for grades 6-12. The Vanguard School is know= for its individualized education and specialization in working with studen=s who experience ADD, ADHD, dyslexia, dysgraphia, dyscalculia, and high-fun=tioning autism (Asperger's Syndrome). We offer small academic classes that a=erage 8-10 students per class and a wide variety of electives and competitiv=e athletics. In

addition, each student receives an academic and residential=mentor. The purpose of these mentors is to monitor your child's dai=y activities. These activities include: academic and residential tasks, att=ndance, grades, class participation, social skills, and participation in ac=ivities, etc. These mentors are the primary point of contact for parents an= guardians to discuss their child's progress. Please do not h=sitate to contact me at any time if you have any additional questions. Agai=, have a great week and I look forward to having the opportunity to speak t= you soon!
