Chris and I =poke with Darren and Karen and Cecile. I spoke with Vonetta Norman the law=er for DPNR who was on the island with 5 officers and told her her authori=y extended to the beach area and the 2 specific areas of concern but they =ad no right to wander around the island and they were acting outside the s=ope of their authority. We instructed Karen to videotape all movements.

If they file a cease and desist or assess fines - we need to sue - that =80 s the only way DPNR is going to stand down is if a court tells them t=0.
