Goo= Evening

<=div>

can you please =onfirm with Kenny the thickness and overhang of the counter tops and Vanit= tops?

It appears to be =ust a natural slab thickness, not the 1.5" spec'd Also did he 45 the countertop =dges

I don't see the=Vanity top for Cabana,1 is Kenny proposing to cut on site, the sink base a=d hardware holes for the vanities for Cabana 1,

regards Brice

Hi all,

Ken said that he will need a Barge ru= Saturday morning...

Cabana 1 will be 100% completed on Saturday

Cabana 2, 3 & 4=will all have the long countertops but not the vanity sink because the Cab=net base was not installed for measurements to be taken. Ken will take those measure=ents on Saturday

Flagpole pool kitchen is cut and ready to be installed.=C2

Hi all, <=div>

I asked Ken to please send me the tracking number =or the blade that was ordered or
else refund our money. It was ordered usp= instead of express mail or fedex.

Can we p=ease have someone buy this blade today and send it Fedex. I think we shoul=br/>buy the blade and deduct the cost of the blade from his bill. usps shipping dates are not accur=te in the VI.

The countertops and vanity a=e all porcelain. LSJ will not receive anything unless that
blade arrive
