Jeffrey

For planning purposes, since we still have the GIV,, The 24month inspection will be due on the G550 Mid March,, drop dead input w=uld be April 1st,,, Down time, 10 - 14 days,, In case you might think of doing the inspection in January ish?

If Eric had the plane in Islip, the 24month is a light inspection according t= Pete,, We could have Hawthorne in Islip do the 24month while Eric competes the inte=ior,

Or, Hopefully Wendy closes the GiV deal

Thx
Larryv
