Call me or give number

She did well was mostly into that

Took my suggestions re her talk

Interested in my commentary on her outfits

Was appreciative but seemed very dry eyed on my message re marriage pigheaded etc

I referenced your having figured us out told me to be fair and got me thinking

Suspects she thinks richer dialog between us.

Think cooling off while I'm away is good thing

I sent a note just asking her to txt when she was up cuz I had something brief to say to her.

Didn't want to push cuz she takes her 930 presentation here very seriously.

Better after her talk.

Am I thanking her or being sorry re my being married. I think the former.

You were good.

Thought if u didn't know that we had been a couple she gave it away w
familiarity and barbed comments.

Think for now I'm going nowhere with her except economics mentor.

I think I'm right now in the seen very warmly in rear view mirror category.

She did not want to have a drink cuz she was "tired"

I left the hotel lobby somewhat abruptly.

When I'm reflective I think I'm dodging a bullet. There are huge ups with her but very self involved and to get her to be good probably requires more firmness than I enjoy.

Think right thing is to cut off contact. Suspect she will miss it. Problem is I will too.
