Good day boss,

I have discussed the tas= with Mike and our plan is as follows:

GSJ intern=t/wifi restoration .

The Quonset location is more=or less trashed with all the construction in that area. The green pole tha= has all the link radios between LSJ and GSJ will be taken down this=week to have all the rust removed, repainted, and relocated to a new site =y the cottage. I will have the existing equipment re-position =nd make the necessary adjustment to the restore the WIFI on the beach and =omponent also add a new Wifi Zone to include the GSJ Mini-Pool. All o=d Wifi equipment will be remove and replaced.

I h=ve to apologize about the Macs on GSJ. I forgot about the two on GSJ. I wi=l correct this oversite as soon as possible. My apologies once again.=/div>

Regards  
Jruan
