We will get a crew organized by Thursday. The Library and master bedroom are included in the price of the roofing \$250,000. We will only be working on the kitchen and cabanas at this time. The kitchen and cabana EIFS repair is scheduled to complete on the 14th

Jay,

In addition I wanted to confirm that EIFS pricing for the Library and Master are a deduction from the original roof contract price since they were included in the original bids. Thank you!
