Larry,

I hope you are having a wonderful time in Beijing, while I am in Shan=hai, working on the technology article. Would be good to discuss at some p=int of course.

Please do feel free, and thank you indeed, to cite me if you think ap=ropriate, to anyone including my father.

I hope all waters are calm now and that you are content. Note on Aust=alia is very interesting, but I heard from Australians that they are very =nhappy with growing anti china sentiment on the part of their government. =hey want to do do otherwise.

I would be grateful if your RA had returned the technology notes and =uestions I had posed a month or more before. If too much trouble, then don=E2 t worry about it.

Reread your long letters of advice and acknowledge them whole heartedly!
