Good =orning Richard,

The rails =re shipping on Thursday, once I have the Bill of Lading I will forward =t to you.

The =transit time is 3 days.

With =egards to the slats, new slats are not required as I stated =earlier.

There =hould be a space between the 1st slat and the =ead and foot rail.

I have =ouble checked this with my team here and the slats that you have are =orrect.

I would be =appy to speak with █████, I have no message from her so please provide = contact number.

I will =eep you updated.

Thank you =nd have a great day.

Good =orning Richard,

I am =orking on shipping to get the rails there as quickly as =ossible.

My team =as advised me that slats are not required, the current slats for these =eds are correct.

The last =lat in each roll should have a space between the ends of the bed and =he 1st slat.

There are =redrilled holes that will line up the slats.

I will =ave a shipping answer 1st thing this =orning.

Thank you =nd have a nice day.

Good Evening Rich

Mattress size is correct, standard size for queen beds

I have confirmed size a number of times,

I have been on site for all construction of beds and all have been =onstructed

correctly, there are very few parts hard to not get the =ssembly correct

Regards
