Thoughts on what to do if anything.?

I've asked marty to draft a response to include:

3 levels of DOJ review

entire hierarchy of USAO involved with AA in decision-making

weakness of fed jurisdiction - going home (2243), no inducement as that term has evolved (2421), no trafficking for profit (1591 as then defined by caselaw)

w=iver of liability inviting civil lawsuits that relied on NPA to limit defenses, recover millions as CVRA held in abeyance

uniqueness of 2255 waivers and remedy

=p class="MsoNormal">> over 11 yrs since executed - full performance of terms of agreement including plea to a state offense more onerous than the one the GJ/State Atty selected

sex re=istration

no recivid=vism

finality is an =nterest that has been prioritized in fed justice system

no wrongdoing in negotiating the NPA: lawyers did their job, advocated, SD Fla followed DOJ Crime Victim policy, SD Fla had their own independent litigation interests in not notifying certain "victims":

State treated me =n terms of work release, home detention just as they do others - equal tre=tment was a condition of NPA
