Good Evening Boss

I did a little invest=gating and found out what the girls want for Christmas.

My youngest Dhymond is easy. Her wish is for New Cell, Art supplies,=or a professional makeup set for when she has modeling gigs or photo shoot=.

Laurika my oldest has her Master in film is try=ng to invest more time in her own company since the Virgin Island Departme=t Tourism cut her job after the hurricanes. What she has asked for is an U=SA blackmagic camera. I find it to be pricey but if you can assist in help=ng me get it. I believe it really lift her spirits.

Regards  
Jruan
