Dear Jeffrey

I read your Skype Message: "did not receive anything."<=o:p>

During our last Skype on Friday the 7th of December, I understood that you wanted the second Skype in 10 days this is why I did not contact you during this week.

This week I was in Dubai for 2 days; and as you don't like it when I am not fully involved in the design, so I need few days more. I will design during this week-end and the Team will update Monday.<=:p>

So I suggest a Skype on Tuesday the 18th of December morning if this is convenient to you.

Summary of what will we present:
