Jeremy,

Please advise on these bids, also who would you reco=mend for a local architect?

Kyle

Jeremy,

I have received approval for the Cabana 4 roof project along with the Q-hut project. Please advise on your availability and schedule to complete each project.

Also please provide an update for the 5 Palms bid along with the tile roofing bid. The sub that you guys brought out today was unable to give a price on site. Please advise. Thank you!<u>

Kyle
