Dear Oliver, David,

As mentioned, this is the most important group of material seen thus far, and we are preparing a quick listing for your review. There are pieces within this group that would be terrific to offer at auction in May 2019.

Can you please let us know exactly what account, or should we create a new joint account?, for inputting the full inventory of the collection.

Given Oliver's upcoming travel, and the additional research I would do on certain pieces, we would be happy to house this suitcase at 1334 York, receipted with preliminary low/high estimates which will cover insurance until further review.

I intend to get this initial listing to you before the end of the week, and ideally we can discuss any of these details in the next few days.

I will forward the current account information on our system in case any of these accounts are appropriate for the upcoming inventory.

Many thanks once again for the chance to work with Mitchell Pre-Columbia gold collection.  
I look forward to being in touch.

My best,  
Stacy
