Hey Bossman,

I just spoke to Ken.

Ken was scheduled to go over to LSJ tomorrow morning to complete Cabana 1, Fl=gpole pool and install all the long countertops in Cabana 2,3 & 4.

Karen sent both Ken and myself a text message canceling the installation run=to LSJ.

Good Evening Ken

Given you where unable to complete the install of countertops/vanity tops on=the date previously agreed to we have installed temporary countertops and v=nity tops for the owners visit next week hence there is no need to come ove= to LSJ tomorrow Once the owner has left we will make contact and review this project If you have any questions or concerns please give me a call Warmest regards Karen
