**Subject:** Re:

Mr Epstein,

Ken has 4 of the pieces cut=so far along with the fronts (additional 4) . He has had trouble wit= his saw speed but talked to the manufacturer this morning and is getting =etter results now after slowing the blade. He is scheduled for 8 am =unday to start the installs and that will mean he should be done Thursday.=C2♦ If we have issues we have a backup plan of Home depot vanities with = wood counter top painted white. This is our worst case scenario and=after Sunday (I will be standing over him all day) we will know if Ken wil= preform.

Kyle
