We are living in very weird political and social times and tech=ology has become a weapon of accusation, punishment and righteousness. &nb=p;

This is not going to get any better. In Hollywood=men's lives are completely destroyed because celebrity is held to a higher=standard. I am not defending wrong doing....just can't understand why ther= is no legal second act of redemption.

I told you a few years ago to be the pos=er boy for making amends. I suggested inventing a support system to aid di=advantaged young women.
