Subject: Charitable Giving Update

Good morning,

I spoke with Alb=rt and told him that the VI Little League no longer has a 501(c)3 status w=ich prohibits us from donating to them. He suggested CASA (now VIVA)=of STX (<http://www.viva4children.org/About-Us.html> <<http://www.viva4children.org/About-Us.html>>). He agreed that this does not fall under =he "public education" EDC requirement but that giving them something would=be nice. We also discussed the Community Foundation of the VI becaus= they have a fund that is targeted towards public education/public school =nitatives and is approved by the EDA and DOE). He thought that was = good idea.

I suggest:

CASA - \$10K

CFVI - \$20K with a letter directing them to use t=e funds for their public school initiative programs.

If we do this we will have donated as follows:

Public:

Junior Achievement \$10K

Community Foundation \$20K

Private:

Co=al Reef Academy \$10K

CASA \$10K

Thoughts?

=ith warm regards,
