Good Morning

Spoken with Brian, he can make the seating into storage, =ould have to breakdown what he has done  
The in=ide depth is 10 inches, with a number of support section

He did mention rather than opening from the top which would involve a =umber of cuts in the mahogany he could have it an open from the lower side= would require some extra support to strengthen the hinged door

Or would you prefer to view while on site?

Storage, what would we put in there? Possible dock cleaning =tems, we are using a dock box at present, which works well. Would need som= form of hinging, which would clearly led to rust, also this area is pron =o flooding. I just see it becoming a maintenance issue with little up side=C2◆

Just my thoughts  
Warmest regards
