He's right. N=eds an overall strategy designed around the question of what you want to ac=omplish. We have to answer the question first.

=div dir="ltr">This thing as model journalism is one more element that cou=d give it legs--so another danger. I don't think it's a question now of dir=ctly debunking this. That's going against virtue itself. What I'd like to d= is game out everything, creating a structure for thinking this through. De=initely not a piecemeal response. Figure out where we want to be and where w= can reasonably get and work backwards. Maybe we do agree to a big intervie= with you--Landon Thomas or something like that. But this has to be war gam=d out. Obviously I can contribute, Kathy can, would be great to get SB inpu=, but this needs a structure, that's why I think Hiltzig or somebody assemb=ing a plan would be helpful. Even if in the end you decide to do nothing, a= least you've come up with a structured way to think about it.
