This thing as model journalism is one more element that could give it legs--so another danger. I don't think it's a question now of directly debunking this. That's going against virtue itself. What I'd like to do is game out everything, creating a structure for thinking this through. Definitely not a piece=al response. Figure out where we want to be and where we can reasonably get and work backwards. Maybe we do agree to a big interview with you--Lando=Thomas or something like that. But this has to be war gamed out. Obviously= I can contribute, Kathy can, would be great to get SB input, but this needs a structure, that's why I think Hiltzig or somebody assembling a plan= would be helpful. Even if in the end you decide to do nothing, at least you've come up with a structured way to think about it.

kathy thought the piece is being lauded as great investigative journalism so does your suggested pr group have the better contacts to place a story. on why it is not. . . however to you point. to what end?
