Hello all,

Has there been a decision made about the state estimated tax payment?

Since the new tax bill has just passed, the federal deduction for state income tax and real estate tax payments will be limited to \$10,000. An estimated state tax payment should be made in 2017 to capture this valuable federal deduction while it is still available. This payment needs to be made before December 31st!

Based on rough projections, a \$30,000 estimated payment to Massachusetts would save about \$10,000 in 2017 federal tax.

Please let me know immediately and I can prepare a voucher to be paid.

Regards,
Matt Mazotas

Hi All,

Max, attached please find the requested 2017 Q4 Federal Estimated Tax Voucher for the Chomsky's.

Please be aware that in raising cash to make this payment from the trust, it may create income that might be taxed to Noam due to the trust distribution.

A state estimated tax payment should be made in 2017 to take advantage of the deduction for state tax payments. This deduction will be severely limited if the new tax bill is enacted. Please advise on an amount that the Chomsky's would like to pay in order to take advantage of this deduction. We had recommended \$30,000 when we prepared their 2016 return, based on safe harbor amounts.

Regards,

Matthew Mazotas
