Subject: We should talk tomorrow morning

There is no option for expungement available to you as the Governor can only expunge local law violations. There is also no option for a pardon - as he can only pardon violations of local law. We're trying to figure out a way the governor to push through a license to have a gun on the property because of exigent circumstances or some other similar reason.

We're working on it - but lets talk in the morning.
