Good morning Richard,

I am working on shipping to get the rails there as quickly as possible.

beds are correct.

My team has advised me that slats are not required, the current slats for these

the 1st

The last slat in each row should have a space between the ends of the bed and

There are predrilled holes that will line up the slats.

I will have a shipping answer 1st thing this morning.

Thank you and have a nice day.

Good Evening Rich  
Mattress size is correct, standard size for queen beds  
I have confirmed size a number of times,  
I have been on site for all construction of beds and all have been construct=d  
correctly, there are very few parts hard to not get the assembly correct<=r> Regards
