Good morning Kyle,

Just to quickly update on the status of the doors. They arrived and are =leared. As of right now, the container in which they are =ocated is up next to be offloaded, she mentioned to call back in =ne hour to see if they are available for pick up. I will have them picked up from Tropical when I get confirmation today. Is it =ossible to get these doors over to the island later this afternoon or =ould it be best to do that early Monday morning? Please advise.

Best,
