Subject: Amex Question

Dear Jeffrey, I am staying at my sister until Sunday and then [REDACTED] and her husband have offered me their place for a month while they are in [REDACTED] from the 23rd December. I am a little apprehensive but it saves a month of renting a place. What I wanted to check with you was the following. I still have some of my monthly balance of 2k left on my amex, I am booking somewhere to stay for the next couple of days. Is it ok if I use some of this balance on accommodation?
