This thing as model journalism is one more element t=at could give it legs--so another danger. I don't think it's a que=tion now of directly debunking this. That's going against virtue itsel=. What I'd like to do is game out everything, creating a structure for=thinking this through. Definitely not a piecemeal response. Figure out whe=e we want to be and where we can reasonably get and work backwards. Maybe =e do agree to a big interview with you--Landon Thomas or something like th=t. But this has to be war gamed out. Obviously I can contribute, Kathy can= would be great to get SB input, but this needs a structure, that's wh= I think Hiltzig or somebody assembling a plan would be helpful. Even if i= the end you decide to do nothing, at least you've come up with a stru=tured way to think about it.
