Jeffrey
For planning purposes, since we still have the GIV,,
The 24month inspection will be due on the G550 Mid March,, drop dead input would be April 1st,,
Down time, 10 - 14 days,,
In case you might think of doing the inspection in January ish?

If Eric had the plane in Islip, the 24month is a light inspection according to Pete,,
We could have Hawthorne in Islip do the 24month while Eric competes the interior,

Or, Hopefully Wendy closes the GiV deal

Thx
