Quick update on the Cabanas on LSJ.

Every=ne is working well together, moving along at a good pace, painting, comple=ion of bathroom windows in all cabanas. Cabana 1 vanity counter top and lo=g cabinet counter top (to be painted tomorrow) have been installed. <=div>

Require a small adjustment to the height of the medicine cab=net in all cabanas, given the height of the goose neck faucet. Plumbing wi=l be completed in Cabana 1 tomorrow

A big push for a overall cle=n of construction material etc planned for tomorrow

Overall ever=thing is going very well

Reminder Carmix instruct=r will be arriving on the 7am boat tomorrow to start his 1st day of lesson=

Warmest regards

Karen
