Good morning Richard,</= >

The rails are shi=ping on Thursday, once I have the Bill of Lading I will forward it to you.=u>

=he transit time is 3 days.

=span style="font-size:11pt;font-family:"Century Gothic",sans-serif;color:rgb(31,73,125)">

With regards to the slats, new slats are n=t required as I stated earlier.

There should be a space between the 1s= slat and the head and foot rail.

I have double checked this =ith my team here and the slats that you have are correct.

<=u>

I would be =appy to speak with Karen, I have no message from her so please provide a c=ntact number.

I will keep you updated.

Thank you and have a great da=.

Good morning Richard=

I am working on ship=ing to get the rails there as quickly as possible.

=u>

My team has advised =e that slats are not required, the current slats for these beds are correc=.

The last slat in eac= roll should have a space between the ends of the bed and the 1st <=span>slat.

There are predrilled=holes that will line up the slats.

Good Evening Rich

Mattress size is correct, standard size for queen beds

I have confirmed size a number of times,

I have been on site for all construction of beds and all have been constructed correctly, there are very few parts hard to not get the assembly correct

Regards

Karen
