Hi Jeffrey,

This is from=Anne Golden, Chair of the Casino Commission:

=div dir="ltr">

Online gaming has been progressing slowly as negotiations took=place last year by one operator to sell their rim online master service pro=idер interest and the second company from St Thomas was also negotiating a s=le. The St Croix group has already retained management and are moving=ahead with their project. I hope someone gets involved in sportsbett=ng too.

W= may need some statutory changes to bring the old statute current but my su=cessor can deal with that matter. There is nothing stopping companies=from launching now but it definitely requires considerable investment. &nbs=;We are currently working with clients.

With warm regards,

Cecile
