Good Evening

Quick update on the Cabanas on LSJ. Everyone is working well together, moving along at a good pace, painting, completion of bathroom windows in all cabanas. Cabana 1 vanity counter top and long cabinet counter top (to be painted tomorrow) have been stalled.

Require a small adjustment to the height of the medicine cabinet in all cabanas, given the height of the goose neck faucet. Plumbing will be completed in Cabana 1 tomorrow. A big push for a overall clean of construction material etc planned for tomorrow. Overall everything is going very well

Reminder=Carmix instructor will be arriving on the 7am boat tomorrow to start his first day of lessons. Warmest regards  
Karen
