Subject:	Apple Watches for Europe

Re the Apple Watches for recipients in Europe. In order for the =ellular function of the Apple Watch to work properly for the Paris =Valdson, ████) London (Dasha Burak, Edward Rod Larsen) and Moscow =██████████████) recipients, we need to purchase the watches in =aris. We do not have a French cc and cannot write a check. OK to have████go to the Apple store in Paris when she returns to purchase the 5 =atches on her credit card and wire the money to her account?

(Apple should be able to ship the watches to London from Paris, but █████ watch ████will have to ship to her. Apple does =ot do business in Russia)
