Good Afternoon

The Chillax Bathroom AC unit has been installed, the existing unit is still operational and keeping the area cool

We can either clean up and leave as is until there is time to complete the entire project or move forward with the new install noting very little chance this would be completed before the 26th, hence no AC, then LSJ would then have to construct a soffit around unit to blend in with ceiling line

Please advise how you would like to move forward
Warmest regards
Karen
