Good morning.

See Eileen's email below. This crate and barrel fabric is the pacing item. I spoke to the store Manager in Manhasset, LI about paying an expediting fee (the fabric itself is inexpensive) and we are applying as much pressure as possible.

We will be following up this week with them to see how we can get them to move on this.

Best Regards,

Eric

Yes Dawn ordered it yesterday.

For 50LY lead time was 5-9 weeks. She spoke with someone at C&B who was looking into expediting but no guarantee.
