Daphne and I just reviewed Brian Bates' file and see no mention of 3pm departure each day..  
Also none of the time sheets make note of 3pm departure..

We are running a separate boat at 3pm each day for Brian?  
not the most efficient use of our labor and equipment...

Good afternoon

The attached E Mail was forwarded from STC offices, which was more about reflecting the payroll as you requested.

Brian is to leave at 3:00pm, working thru his lunch hour as he requested, when he started GSJ -iki Project. He left at 2:30pm on Tues, this was noted and is reflected in Log In/Out Sheet
