Appears from below that Daphne went to visit Ken and learned that stone not on Stt. Please advise.
Thank you.=nbsp;

The material is not on island= Ken was working on another job. He pulled out a dummy piece of=stone to try to convince me that his guy started to work on it for Cabana 1= and he Ken arrived at the shop and discovered it was not the Halo Dekton.<=iv dir="auto">

Please see attached.

Good afternoon!=

Please note the shipment consigned to Ken=Foster in St Thomas will sail Friday 11/23/18. Due to the Holidays during the season we are experiencing some changes in the regular sailings.&nb=p; This specific shipment arrived

Thursday 11/15/18 and we were not able to load it to sail last Friday because containers were requested to be in the port 11/15 at first time in the morning.

We apologize for the inconveniences caused=

Attached you will find a B/L Draft; =Final B/L will be sent by our Co workers in St Thomas Office
