Greetings K=n,

To memorialize the conversation Kyle and I had this&n=sp;morning with you:

1. You are currently working o= the counter top for Cabana 1 - you are hoping to install this Friday, 11/2=, but cannot promise because the counter top template for the sink is curre=tly missing, but you are working on obtaining it.

=. You will be at your shop in about an hour, and I am coming to your shop t= take photos so we can forward to our Principal along with your update to K=le.

Please email or contact me at the office [REDACTED] when you have arrived at your shop.

I texted my contact information to you as well.

Kind regards, Daphne
