Hi Jeffrey,

I decided to go with the "better"= one and will proceed with trying to buy the apt. Thanks for sharing your =pinion. I've made so many changes lately regarding retiring, selling a=d buying apartments and I am not sure if I'm making the right decision=. For example, I think I retired too early, and now I am teaching tw= days a week so I won't have to collect social security benefits. We p=obably have much less control over our lives than we are comfortable accep=ing. I appreciate getting your advice and I hope to not bother you so much=in the future.

Love, [REDACTED]
