Greetings =yle,

I sent an =mail to the Carmix people yesterday, updating them that the Carmix is =ere - in fact it is being cleared this morning - and will hopefully be =n island by the end of the week.

Big N is going down to Tropical to pick =t up rather than trying to move it over the road on a lowboy.

As soon as I hear from =hem I will let you know. My apologies for not copying you on =he email.

Kind =egards, Daphne

Good Morning,

Have we set up a time for the carmix training? The boss wants it done in the next two weeks and right now I am thinking the following people need to be trained;

- * Myself
- * Dupson
- * Sheridan
- * Mike requested he gets trained also

If there are issues getting someone here I can always read the manuals and get us going here. Thank you guys, the boss said he is leaving at 1130 am tomorrow. I will be running around until then if you guys want to do a conference call.

Very=Respectfully,

Kyle Reavis
