Good Morning Mr Epstein,=br>

I am strongly suggesting we use white grout (unsanded) on your=shower walls for the cabanas to give us a clean look. As for the flo=r we will need to use a sanded grout however I would not suggest white due=to color of the floor tiles. If you want white I will need to make s=re I seal the floors very well to prevent staining. I have attached =ome photos for you to take a look at along with a grout color card. =lease let me know what you would like on the floors, oyster gray I think w=ll look nice. Thank you!
