Jeffrey

Curiously enough I dreamt about you yesterday night.=span>

I thought it had to do with Chapman—I just h=red a lawyer to deal with their defamation. I also had a strange experience at Texas A&M, along lines of Chapman.</=>

Then I checked the Guardian (UK) and saw a tweet abo=t Jeffrey Epstein. I have glanced at the Miami Herald article. This can not b= fun.

My heart goes out to you.

Best
