Good morning from this side. Mimi is 24 but still looks the youngest of all !

Yes, she does look like Julian but has the brain of Douglas. (!) She is extremely bright and no ones fool. ♦=AO

Despite her terrible back issues she can still get around and seems Ok, however, the underlying issues of nerve damage and subsequent pain have kept her from riding=and now from work in London. She is waiting for her third surgery; in fact she met with her surgeon again yesterday. She is quite the stunner at 6 ft, has been counted to model several times, however feels it is not the right thing for=her.

We do hope we can see you sometime soon. I have heard so much about you I =feel you are part of the family. Perhaps next we are in NY we can say hello or if you are here you can come to visit us. It would be great=to see you.

Enjoy a very happy Thanksgiving holiday.

Much love

Ps. Today is=Jane's 87th birthday. She is still perfectly healthy, immaculately beautiful and very switched on.
