Greetings to all,

I was finally able to contact Ken using Jermaine's cell phone. He is on the large returning from St. John. I asked him for an update on the tone. Ken said he is still waiting to hear back.

I asked Ken why he did not check in at Crowley when he left Hibui - it is down the hill - he said he was on a very tight schedule.

He is on his way back to his shop. I told him to please email the new timeline since the one from Monday is no longer accurate.

He says he will do so.
